

# THE KENNEBUNK

A beautiful porch wraps around three sides of this home, adding country elegance, as well as outdoor living space, to The Kennebunk. Inside, a spacious kitchen opens onto a dining area. A great room with a vaulted ceiling, a fireplace, and French doors leads onto the back deck. The home features a first-floor master bedroom suite, plus two bedrooms and a full bath upstairs. Three gable dormers across the front add authentic New England charm.
