

THE AMESBURY

The Amesbury is a luxurious colonial featuring a large living room, a stately hearth, a spacious kitchen, a dining room with an elegant buffet alcove, and a quiet corner den. Upstairs are two big bedrooms with lots of closet space, a master suite with dressing room and private bath, and a second full bathroom with a double vanity. A handy combination half bath and laundry room, plus a closeted mudroom and two-car garage, add to the comfort of this home.
