

THE ACADIAN

This classic ranch features a central great room with a cathedral ceiling and a fireplace. A magnificent master bedroom opens onto an en-suite bath area large enough to accommodate a raised whirlpool and shower. Off the foyer, a country kitchen and dining room lead to a mudroom/laundry area that connects to a two-car garage. The farmer's front porch lends a distinctive look to The Acadian.

3 Bedrooms
2 Full Baths
1 Half Bath
Total Square Footage: 2,446 Sq. Ft.
