

The Cumberland

Northeastern Log Homes
info@northeasternlog.com 800-624-2797 www.northeasternlog.com

*Artist's rendering, photography and optional design ideas may vary from the standard model. Please always consult the standard floorplan and refer to the Camp and Cabin material list as to what is included.

The Cumberland

Camp & Cabin Series

20' x 32' Size

940 Square Feet

Two/Three Bedrooms

One Full Bath

The Cumberland has a full cathedral ceiling on the entire second floor and open to below area via rafters & ridge beam. Knotty pine v-match sheathing is available as an option. The 1st to 2nd floor area is done via regular framing with knotty pine v-match optional for the 1st floor ceiling. Consult the Camp & Cabin material list for full details & optional material available

Cumberland plan above shown with optional interior partitions

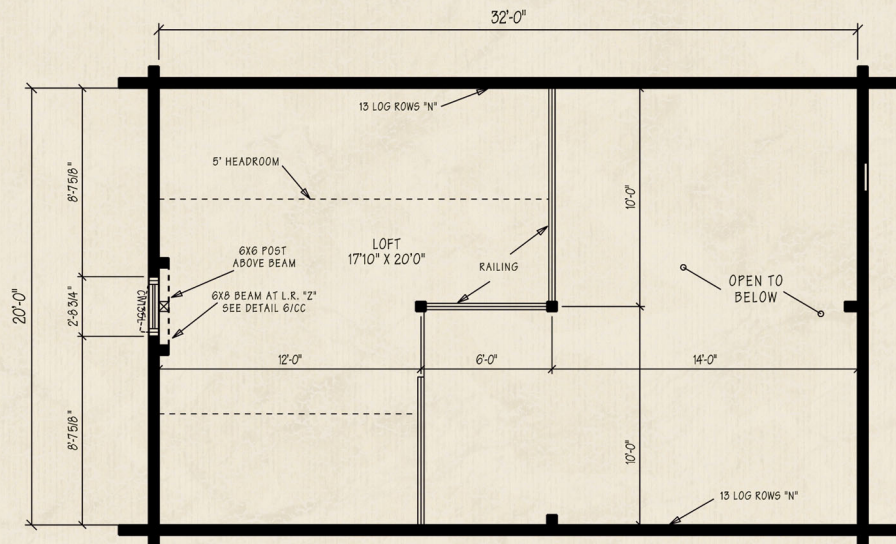

Optional Design Ideas:

Add windows to the right or left sides to take advantage of your view

Eliminate the partition between the two bedrooms to make more of a master bedroom idea

Add a partial dormer on the second floor to enlarge the available space in the loft area

Change the side porch area to a large outdoor living space deck & put larger windows on the right gable side
