

The Getaway

Camp and Cabin Series

24' x 18' Size

612 Square Feet

One Bedroom (plus loft)

One Full Bath

Cathedral ceiling on the second floor loft and open to below area done via rafter and ridge beam.

Optional Design Ideas

Extend the dormer across the second floor and add windows to really enlarge the second floor area

Change the window in the side of the living room to a frenchwood gliding door

Continue a deck to the side of the living room for gatherings or easy access to a BBQ grill

Add a few log rows to gain space in the sleeping loft
