

The Springfield

Premier Home Series

50' x 32' Size

1,392 Square Feet

Three Bedrooms

1.5 Baths

Optional Design Ideas:

Move the chimney to the side of the house to open the area between the kitchen/dining room and living room for fantastic great room living

Remove the wall area to the left of the kitchen counter to create a terrific breakfast bar

The kitchen could become a very large country kitchen by extending the counter across the north wall. There would be room in that kitchen for an amazing center prep island

A portion of one of the large closet areas can easily be converted to house a first floor living washer/dryer
