Optional Design Ideas:

The second floor can be removed to create a terrific floorplan design that incorporates first floor living

There are innumerable uses for that area at the rear of the garage! A private office. A guest suite. A ready made private area for an in-law suite.

Open the areas between the kitchen, dining and living areas. Easy to create a more open concept plan design.

The bow window in the living room can be modified in a number of exceptional directions to bring the outside view in.
