*Artist's rendering, photography and optional design ideas may vary from the standard model. Please always consult the standard floorplan and refer to the Premier Series material list as to what is included.

The Newport

Premier Home Series

34' x 34' Size

1,841 Square Feet

Three Bedrooms

Two Full Baths

Price information
available for download
on our website

Optional Design Ideas:

Move the fireplace to the outside wall area to increase the floorspace in the living room

Add a deck on the right side for quiet evening get-togethers

Moving the right side door downward just a bit could create room at the north end of the kitchen/dining area for built-in display shelving or terrific kitchen pantry storage

Consider adding an eat-in breakfast bar to the open concept kitchen design
