### Optional Design Ideas:

For smaller homes, also consider the plans and designs in the Traditional Home Series

-----  
*Utilize a stackable Washer and Dryer in the Bath to save on floorspace.*

-----  
*The additional area in the Bath can now provide another area for closet & storage space*

-----  
*Move the Hearth over to the left wall opening that great room for more living space.*

-----  
*Add a deck off the side, or rear of the plan. This can provide a terrific area for family gatherings, BBQ's or evening relaxation.*
